Re: Call for Donations in Support of SAME Baltimore Post Scholarship & Education Outreach

The SAME Baltimore Post established the SAME Baltimore Post Scholarship and Educational Outreach Fund to encourage and support talented students and veterans to pursue careers in science, technology, engineering, and mathematics (STEM). We accomplish this through scholarships awarded to qualified applicants who are pursuing a baccalaureate degree in these fields. Our scholarship recipients are selected on a merit-based approach, and are eligible for three types of scholarships - One-Year Scholarships, Four-Year Scholarships and Relative Scholarships. All scholarship awards are in the amount of \$2,000 per academic year.

The scholarship program is the most important civic endeavor of the SAME Baltimore Post and a source of great pride to our members. The program is sustained through donations from our members and member firms. We sincerely appreciate past, current, and future support of this program through transparency in a results oriented program where we are able to share success stories from our past and current awardees at our Post monthly meetings. Additional information on this program can be found at our website - [http://www.samebalt.org/Scholarship/scholarship\\_home.htm](http://www.samebalt.org/Scholarship/scholarship_home.htm)

To donate to this worthy cause, please contact one of our committee chairs as listed below. We thank you in advance for your support of SAME and on behalf of the deserving students that benefit from your donations.

Sincerely,

***Education and Mentoring Committee***
